Sir,

With reference to your letter No.E.1781/G.G.993-30-4 dated 10th ~~ultimo~~ November last regarding the appointment of Mr.N.S.Aiyengar as Horticultural Inspector, I have the honor to state that Mr.N.S. Aiyengar was actually entertained from 24th March 1931, but regarding my letter No.100 dated 8th May 1931, it is stated as 24th ultimo, which is an error caused while preparing the fair draft, without noticing the date of the original draft. As the exact date is 24th March 1931, he was appointed not when the vacation was to commence but 2 months prior to the commencement of the vacation.

As regards the question as to why the instructions contained in circular letter No.FL.7029-89 dated 13-3-31 were not followed, I beg to invite your kind attention to the enclosed copy of my D.O. No. 2744 dated 20th June 1931, wherein the necessity has been fully explained at length.

In these circumstances, I request that early orders of Government may kindly be obtained in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Director of Horticulture.

D.O. Letter No.2744 dated 20th June 1931 From G.H. Krumbiegel, Esq., F.R.H.S., Director of Horticulture, Bangalore to Rajakaryapravina P.G.D'Souza, Esq., B.A., B.L., Member of Council, Bangalore.

Dear Mr.D'Souza,

In connection with closing of the Horticultural School I had already pointed out to you while discussing retrenchments that I would not call for fresh admission this year but that it was essential that we should give facilities to the 2nd and 3rd year students to complete their course. I am sorry to see that now after all the entire closing of the School is ordered.

There are 3 students in the final class which finishes by the end of December next. Out of these two are Government Scholarship holders i.e. Rs.15/- per month each. To complete this class therefore Rs.180/- will be required for next year.

There are six students in the second year class of which two also hold scholarships. For them we should require Rs.360/- for the whole year.

There is only one official for the School i.e. the Horticultural Instructor on Rs.75/-. His pay will thus amount to Rs.900/- for the year. This instructor has also charge of the Herbarium and the Library since we have never been able to get sanction for any hands for this work. On the other hand the Assistant for economic work was sent to the Agricultural Department and his post abolished and the post of the technical assistant lately lent to the Palace has also been ordered to be kept vacant. Therefore both on account of the School as also in consideration of his other work the one hand at least may be retained.

I do not think it is at all right to set aside our moral obligation to allow the students to complete their course after they have spent 2½ years and 1½ years in the School and both on behalf of the students as also in consideration of the integrity of Government, I strongly request that at least the above sums ie., Rs.900 plus 360 plus 180=1440 be sanctioned for continuing the School during next year in

next year in the first instance.

I shall do without the peons and contingencies.

Thanking you in anticipation.

Yours sincerely,

Sd/- G.H. Krumbiegel
